MEMORANDUM FOR: Deputy Director for Intelligence
FROM: Director of Central Intelligence
SUBJECT: Soviet Assistance to Cuba and Four Other Client States

1. This is a very good summary of Soviet aid to Cuba and four other client states. I was struck by the number \$1.2 billion for Western aid to Ethiopia. I believe that you will find that Western aid to Mozambique far exceeds the Soviet aid to that country and possibly Angola as well.

2. Would you ask the analysts who did the memorandum on Soviet assistance to these five states to supplement it with comparable numbers on aid from Western sources including the international financial agencies.

A large, stylized handwritten signature, likely of William J. Casey, consisting of a large 'C' followed by a horizontal stroke.
